Complete Security Report

Executive Summary

Automated scan completed. Review module reports for details.

- Prioritize remediation of High and Medium risk findings.
- Implement input validation, output encoding, and least privilege.
- Broken Access
- Csrp
- Sqli
- Xss
- Cors

Broken Access

Broken Access Control Report

Findings

|| Issue / Type || Location || Param || Payload / Vector || Status || Risk || Evidence / Details || Mitigation || 1 || Force Browsing (Quick) || http://www.itsecgames.com/admin || - || - || OK || Low || - || General best practices | 2 || Force Browsing (Quick) || http://www.itsecgames.com/admin/login || - || - || OK || Low || - || General best practices | 3 || Force Browsing (Quick) || http://www.itsecgames.com/admin/panel || - || - || OK || Low || - || General best practices | 4 || Force Browsing (Quick) || http://www.itsecgames.com/dashboard || - || - || OK || Low || - || General best practices | 5 || Force Browsing (Quick) || http://www.itsecgames.com/config || - || - || OK || Low || - || General best practices | 6 || Force Browsing (Quick) || http://www.itsecgames.com/debug || - || - || OK || Low || - || General best practices | 7 || Force Browsing (Quick) || http://www.itsecgames.com/manage || - || - || OK || Low || - || General best practices | 8 || Force Browsing (Quick) || http://www.itsecgames.com/management || - || - || OK || Low || - || General best practices | 9 || Force Browsing (Quick) || http://www.itsecgames.com/control || - || - || OK || Low || - || General best practices | 10 || Force Browsing (Quick) || http://www.itsecgames.com/settings || - || - || OK || Low || - || General best practices | 11 || Force Browsing (Quick) || http://www.itsecgames.com/user/admin || - || - || OK || Low || - || General best practices | 12 || Force Browsing (Quick) || http://www.itsecgames.com/users/admin || - || - || OK || Low || - || General best practices | 13 || Directory Traversal (Quick) || http://www.itsecgames.com/../../etc/passwd || - || ../../etc/passwd || OK || Low || - || General best practices | 14 || Directory Traversal (Quick) || http://www.itsecgames.com/../../%2f../%2fetc/passwd || - || ../../%2f../%2fetc/passwd || OK || Low || - || General best practices | 15 || Directory Traversal (Quick) || http://www.itsecgames.com/../../%2F../%2Fwindows/win.ini || - || ../../%2F../%2Fwindows/win.ini || OK || Low || - || General best practices

Csrp

CSRF Report

Findings

No findings recorded.

Sqli

SQL Injection Report

Findings

|| Issue / Type || Location || Param || Payload / Vector || Status || Risk || Evidence / Details || Mitigation || 1 || error_based || http://www.itsecgames.com?id=' || id || ' || OK || Low || - || - | 2 || error_based || http://www.itsecgames.com?id=" || id || " || OK || Low || - || - | 3 || error_based || http://www.itsecgames.com?id=') OR ('1'='1 || id || ') OR ('1'='1 || OK || Low || - || -

Xss

XSS Report

Findings

No findings recorded.
